INDIAN COUNCIL OF  
MEDICAL LABORATORY  
EXPERTS (ICME)

## INDIAN COUNCIL OF MEDICAL LABORATORY EXPERTS (ICME)

Dear Friend

The ICME State conference is being held at The Quilon Beach Hotel, Kollam. The events targeting Clinical Scientists and Medical Technologists and will have participation from Private Sector Organisation, Clients, Government Officials, Laboratory in charges, Biochemists, Molecular Biologists, Virologists, Cytotechnologists and Students.

Indian Council of Medical Laboratory Experts [ICME] is a registered non-profit professional organisation under the patronage of Dr. B. K. Rana (Former CEO NABH) and Dr. D. M. Vasudevan (Former Dean Amrita institute of Medical Sciences). The Organisation is dedicated to the overall development of medical laboratory experts. It provides them with a forum for sharing of ideas, resources and experiences of professionals in the field of laboratory and allied health services. It seeks to upgrade their skills and competencies and to furnish various opportunities for individuals and entrepreneurs to maintain and upgrade International standards. ICME provides Workshops, Scientific Sessions, Certification and Accreditation in addition to Quality Assurance and Continuing Education programmes organised periodically on relevant subjects.

During this event attendees will be able to join a series of discussion tables led by Industry experts. The two day conference is a must-attend event and includes one day workshop on Total Quality Management (TQM) and Analytical Quality Assurance and a national seminar on the Topic – Post Pandemic Challenges and Public Health-A perspective Approach.

We request your esteemed presence at our State Conference and National Seminar on 28th & 29th May 2022 at 9.00 as delegate.

Sincerely yours,

**Dr. Suresh Kumar J**
